

COVID-19 Precautions

As a business, we are taking many steps to ensure the safety of our students and staff. Please review our COVID-19 guidelines:

To reduce the risk of spreading of COVID-19, we take these steps in our classes:

- Disinfect all contact points prior to students arriving.
- Take each student's temperature at check-in.
- Require students, upon entering classroom, to clean hands with a wet wipe and hand sanitizer.
- Require all to wear a mask when six feet distancing cannot be maintained, per the July 16, 2020, Arkansas Executive Order 20-43.

For our private, behind-the-wheel driving lessons, we take the following precautions:

- Disinfect the car between students.
- Take each student's temperature upon arrival.
- Wash or sanitize hands prior to lesson.
- Student and instructor both wear masks.

Instructors and/or Students are **not** to come to class or lessons if they or anyone in their household:

- Recently had fever (100.4° F) or chills, cough, difficulty breathing, aches, loss of taste or smell, sore throat, runny nose, nausea, or diarrhea, OR
- Within the last 14 days has been in close contact with someone who has COVID-19 (within 6 feet for a total of 15 minutes or more, shared eating or drinking utensils, hugged or kissed, or sneezed or coughed upon.)
