Remaining dates TBD

Bentonville location:

Driving Academy of NWA Classroom, 1401 SE Walton Blvd., Suite #213, Bentonville

Virtual attendance:

We require the same participation for the parents as we do the virtually attending students for their classes, which includes 2-way audio and video.

Attendance at a 2022 Parent Seminar is not necessary if a parent of the current student has already attended a parent seminar during 2019-2022 and the former teen student graduated from our program. The parent must communicate this to our office for us to verify and approve.
