Bentonville location:

Driving Academy of NWA Classroom, 1401 SE Walton Blvd., Suite #213, Bentonville

Virtual attendance:

We require the same participation for the parents as we do for the students who attend virtually for their classes, which includes 2-way audio and video.

Attendance at a 2024 Parent Seminar is not necessary if a parent of the current student has already attended a parent seminar during 2021-2024 and the former teen student graduated from our program. However, the parent must communicate this to our office for us to verify and the parent must take our Parent Seminar Quiz until they pass with 100% correct.
